Small Business

Minority-Owned

Veteran-Owned

Diversity Compliance

JFAM Enterprise Applications, Inc. is a Minority and Vietnam Veteran owned e/Business consulting firm based in the Atlanta GA area and devoted to providing its clients with the best IT consultants portfolio in the world.

Weather working with the public sector or private sector clients, their requirement to achieve their compliance levels, either globally or for a particular project, is a major "pillar of success" in our core mission of ensuring that our clients achieve their diversity compliance scorecard.
